ABOUT ME

Motivated B.Tech 4th-year Computer Science Engineering student with internship exposure to full-stack web development and AWS cloud computing. Interested in building responsive web applications, real-time communication systems, and practical software solutions. Eager to apply technical knowledge, problem-solving ability, and a willingness to learn in an entry-level software role.

EDUCATION

B.Tech in Computer Science and Engineering — **Pursuing**
Aditya College of Engineering & Technology

Diploma in CCN — **2024**
Aditya Polytechnic College | Percentage: 94.7%

SSC (Class 10) — **2021**
Sriram Vidyaniketan School | GPA: 10.0

PROJECTS

Chat Web Application Development
- Developed a web-based chat application focused on real-time communication.
- Used frontend and backend technologies to support user interaction and real-time messaging features.

Blood Bank Management System
- Developed a system to manage blood donor details, blood availability, and request handling.
- Improved the organization and accessibility of blood bank information through digital record management.

INTERNSHIP EXPERIENCE

Full Stack Development Intern — Technical Hub (6 months)
- Learned frontend and backend web development concepts and worked on responsive, user-friendly web applications.

AWS Cloud Computing Intern — APSSDC (2 months)
- Gained practical knowledge of AWS cloud services and cloud deployment concepts.

TECHNICAL SKILLS

Languages: C, Java, Python
Web Technologies: HTML, CSS
Cloud: AWS Cloud Computing
Areas of Interest: Full-Stack Development, Web Applications

CERTIFICATIONS

- HTML and CSS IT Specialist Certification
- AWS Cloud Computing Certification — APSSDC

STRENGTHS & LANGUAGES

Strengths: Good Communication, Positive Thinking, Sincere and Hardworking, Quick Learner
Languages: Telugu, English
Interests: Listening to Music, Tech Exploration
